

## **LPHA/Clinical Supervisor**

We are seeking a part-time or full-time LPHA (Licensed Practitioner of the Healing Arts) for a clinical supervisor position. This position will require knowledge of clinical assessment and diagnosis with an emphasis on substance use treatment, ability to determine medical necessity, and competence in documentation and billing requirements. This position requires an LCSW, LMFT or LPCC and candidate must meet the qualifications to supervise trainee/associates.

Qualifications:

BBS License – LCSW, LMFT or LPCC

2 years of experience as a licensed clinician and meets qualifications to supervise trainees/associates.

Experience in the treatment of drug use, mental health, and family dynamics.

Knowledge of Medi-Cal billing and procedures.

Strong practical and theoretical foundation in evidence-based programs and best practices such as Motivational Interviewing (MI), Cognitive-Behavioral Therapy (CBT), Dialectical Behavioral Therapy (DBT), Trauma-Informed Treatment, Family Systems, and Suicide Assessments.

Experience in services planning, risk assessment, and crisis intervention.

Ability to work collaboratively and effectively within a team.

Verbal and written ability to communicate effectively with colleagues and all levels of management.

Duties:

Supervision of the clinical assessment process and documents, case consultation with counselors.

Determination of diagnosis and medical necessity for treatment.

Supervision of treatment plans and risk assessment.

Ability to provide suicide assessment and safety plan, along with other crisis intervention needs.

Supervision and clinical training for trainee/associate program.

Proficiency in computer technology.

Cultural competence to work with diverse populations.

Possess a valid California driver's license, provide proof of adequate vehicle insurance.

Must submit to and pass health screen, TB test, criminal record, and child abuse index clearances.

Other duties as assigned.
